OUR GENERATIONS OF VETERANS

Over 18.4 million men and women have served our country in uniform. Close to 6.7 million served in Vietnam, and 2.4 million have served in direct support of operations in Iraq and Afghanistan. Over 4 million of these Veterans returned from service with physical and mental disabilities and over 40,000 are homeless.

Save-A-Joe, Inc. believes that together with our community members we can raise funds to help our Veteran Service Organizations better help our Veterans.

All of our Veterans are part of an all-volunteer force that willingly stood up to defend our country and now it is our turn to help those Veterans.
