

Who is Save-A-Joe and what is a 'Joe' anyway?

A group of Veterans and Civilians who have a shared passion of helping our Veterans. Paul retired from the Army, and as a Master Sergeant he referred to his Soldiers as his "Joes". So, when we say "Joe" we are referring to a Veteran in need of your assistance.

Since 2013 Save-A-Joe, Inc. has worked to raise funds to assist our Veterans in Need.

Our Goals are to:

- Host great events to bring our community together in a joint effort to raise funds to accomplish our mission of helping our Veterans in need.
- Help finance Veteran Service Organizations that work with our Veterans to obtain the vital services such as: Housing, Education, Clothing, Therapy, Finances, Wheel-chair Ramps, and any other assistance a Veteran might need.
- Save-A-Joe has donated to the Midwest Shelter for Homeless Veterans, The Illinois LaSalle Veterans Home, Rolling Thunder Chapter 1, the Combat Veterans Motorcycle Association, the Middle East Conflicts Wall Memorial,

We are seeking support for our
